**Subject:** Florida A&M University - Letter to Alumni

**Dear Alumnus:**

The Office of Alumni Affairs would like to extend a warm welcome to you. In an effort to improve communication with our alumni, our office is in the process of updating our entire alumni database. Our ultimate goal is to place Florida A&M University in a position to keep our alumni informed about events and other news related to the University. In order to do this more efficiently, it is important to ensure that we have the most up-to-date contact information and email addresses. To assist us with this effort, we encourage you to visit our website and complete our Alumni Update Form.

In addition, please help us extend a welcome to Dr. James H. Ammons, who became our 10<sup>th</sup> president on July 2, 2007. We also encourage you to visit some of the other links found in this email for other important information about the University and our office. Thank you for your time, and we hope to hear from you soon.
